REMARKS

1. On occasion of a conference held on 11 October 1954, chief construction supervisor stated that the 13-km-long spur track to the Querfurt airfield was to be completed by the end of 1954. VEB Ing Tiefbau Brandenburg was contracted for contruction work at the field.

2. On 11 October, 8 carpenters from VEB Ing Tiefbau Brandenburg were employed for the first time on preparatory work at Querfurt airfield (construction project NO 542). Additional laborers were to be dispatched to Querfurt later.

Comment. The present report confirms previous information which indicated that construction work at Querfurt airfield was to be carried out by VEB Ing Tiefbau Brandenburg and that the project was assigned No 542. So far work on the construction of the spur track and for the preparation of the construction site is under way.
